

MESSAGE FROM MAYOR MISSEY MOORMAN SCHUMACHER

December 19, 2018

Dear residents,

From all of us at Channahon Village Hall to all of you, we wish you happiness, health, and prosperity this holiday season and through the New Year.

Let us all remember to be good to one another, not just during the holidays, but all year long. As mayor, I am both blessed with the opportunity, and challenged with the responsibility of serving our residents and businesses. Recently, I heard a quote from Dewitt Jones, longtime National Geographic Photographer, who said, "Celebrate what's good with the world." We have much to celebrate!

2018 was a busy year for Channahon. More than 100 new residential housing permits were issued this year. While there are always additional things we want to do, and bigger, long-term goals we're working toward achieving, I am committed to continually striving for the betterment of Channahon. We welcome the many new residents who've chosen to make Channahon their home, and the numerous new businesses who've chosen to invest in our community.

As we enter the New Year, our outlook for the future of Channahon is bright. Our community is what we make of it. Be involved. There are so many opportunities to participate in community events, service organizations, or volunteer groups.

Become part of our future planning; participate in our Re-Imagine Channahon Comprehensive Plan. To further quote Dewitt Jones, "Your vision becomes your perception, and your perception becomes your reality." Our future belongs to all of us.

And reach out to me at any time! Your feedback is always important. Whether it's a question, a comment, a concern, or an idea, please share it with me. It is my hope and desire to be accessible and approachable. I know everyone is busy with work and family, and your time is valuable, but [I can always be reached via email](#).

Merry Christmas to all, and best wishes for a wonderful New Year here in the Village of Channahon. Remember to celebrate what's good in the world.

Best wishes,

Missey Moorman Schumacher
