

## **Mayor's Message - Spring 2024 Issue**

Happy Spring, Channahon!

The change in seasons always brings about evolution - gray skies of winter return to blue, the plants and flowers begin to bloom anew, the air gets warmer and the days grow longer. This year, we decided it was time for a little spring evolution of our own, in the form of our *Discover Channahon* newsletter.

**I am pleased to announce that, as of May 1, 2024, *Discover Channahon* will now be published quarterly - and mailed directly to the doorsteps of our residents.**

In a world where nearly everything is digital, sometimes it's worthwhile to do things the old-fashioned way. While our newsletters will still be available on our website and social media channels, we want to provide yet another avenue for our residents to receive news in the ways that work best for them. Additionally, moving from a monthly newsletter to a quarterly newsletter will allow us to bring you longer format, seasonal news.

In each issue, you can expect to see a full calendar of community events for that quarter, along with meeting dates for the Village Board of Trustees and Planning & Zoning Commission. Leaders from our Administration, Police, Finance, Community Development, and Public Works departments will provide a range of updates, including helpful tips and tricks, important notices, construction project news, and much, much more.

We're excited about the changes to the *Discover Channahon* newsletter, and we think you will be, too.

Best wishes,  
Mayor Missey Moorman Schumacher
